

About Us...

AIM (Affiliated Internet Marketing) was established with the purpose of providing one source for all of your Internet Advertising needs in Metro Atlanta and North Georgia. With over 35 years of Marketing and printed Yellow Pages Advertising experience, and with 18 different websites to choose from, we have something for every type of business. We know the Metro Atlanta and North Georgia market. We're owned locally, and we can handle everything from a "mom and pop store" to a large corporation. Our rates are very inexpensive and very cost-effective. All of our websites have a top placement on all of the major search engines.

Advertise on one website, or select any number of websites. We offer huge discounts for multiple website advertising.

If you're tired of paying those huge printed Yellow Pages prices, you need to call us today. We give you **MORE FOR LESS!**

Internet Advertising has become the best way to promote your business. Printed Yellow Pages are becoming more and more obsolete day by day.

Bill Gates says, "Those businesses that are not advertising on the Internet are losing a large share of the market."
