

Why Advertise with Us?

With today's slow economy, and with prices rising on everything, more and more people are trying to figure out ways to save every dollar they can.

Shopping ONLINE has become a way of life. It just makes sense! As you already know, technology is changing very rapidly today, and by using one of our local websites, we can help your customers find more local area businesses online so they can find what they want, and save a lot of time, gas and money.

We're locally owned, and we know the Metro Atlanta & North Georgia market. All of our 18 websites have top placement on all major search engines (Google, Yahoo, Bing, etc.) We get a lot of

"hits" every day to each website, so that means that when you advertise with us, you're not just throwing your advertising dollars away. **THOSE PEOPLE ARE READY TO SPEND MONEY\$\$\$!**

Our **LOW ANNUAL RATES** are very inexpensive, very affordable for every size business, and very cost-effective. You get **FREE** ad layouts, **FREE** ad changes all year long, and you get the very **BEST** customer service anywhere. **You get MORE for LESS!** Nobody does what we do as well as we do it.

No matter if you're a small "mom and pop" business or a large corporation, we have something for your business that you can afford.

We're "results" oriented. That means that your success is our success. Check us out. Visit our websites. Sign up today. Be ONLINE tomorrow. It's that easy! Call us NOW. Sales Office: 770-873-0343

Support your local businesses online.
